

Excellence. By Design. For Every Client.

When you choose Bassman Blaine Home for your interior design project, you partner with a team of professionals who are dedicated to your vision.

Our team will guide you through the entire design process —selecting materials, colors, and furnishings that align with your unique aesthetic; arranging the layout of your living space; and helping to manage and direct the multitude of professionals working on your project.

We have created the most beautiful living spaces for private residences, vacation homes, and high-end hospitality destinations. We look forward to doing the same for you.

“We hired Bassman Blaine to furnish our home at Makena resort. The Bassman Blaine team was professional, responsive, and always upbeat. The BB team iterated with us on all the details. BB has a wealth of experience furnishing quality homes. The installation went smoothly. We are thrilled with our home and grateful for the opportunity to work with Bassman Blaine.”

Kula Villa, Makena, HI
Contemporary sophistication and coastal charm; this stunning home exudes elegance while embodying the relaxed ambiance of a seaside lifestyle.

“The bond between a client and a designer is crucial for every successful project, and this connection turned into something truly remarkable. We embarked on a two-year collaborative journey with open hearts and minds. The synergy of trust and creativity fueled every decision and every detail, resulting in a home that goes beyond mere luxury.

Kula Villa is not just a residence, it is living proof of the power of a truly cohesive client-designer relationship. This home redefines the essence of livable coastal elegance in the Hawaiian Islands for years to come.”
